Financial assistance is provided for running special schools, vocational training centres, respite centres etc. for persons with disabilities including mentally retarded women under the scheme to promote voluntary action for persons with disabilities. In order to enable and empower persons with sever disabilities to live independently and close to their community, a National Trust has been set up under National Trust for Welfare of Person with Autism, Cerebral Palsy, Mental Retardation and Multiple Disabilities Act, 1999. This Act provides for preference to be given to women and severely disabled while earmarking funds for setting up of care-homes for persons with disabilities.
